

# TEXTURES

## SMOOTH

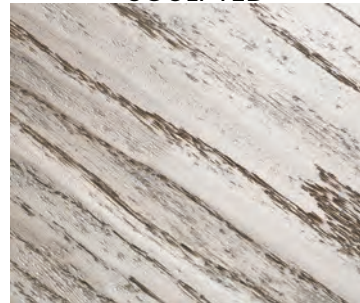

Smooth floors have a classic elegance that naturally lends itself to many species. Available in several grades, widths and colors, the possibilities are endless.

## BRUSHED

Wire Brushed hardwood brings definition and highlights the natural richness of each species and grain pattern.

## SCULPTED

Sculpted hardwood is a modern twist on traditional scraped floors. Sculpting the wood add depth, detail and practicality for daily use.

## BLADE

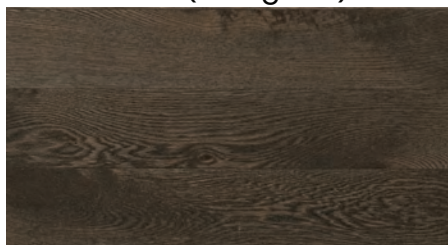

Blade is a combination of circular and bandsaw marks with brushing to provide a reclaimed look.

## EDGESAWN

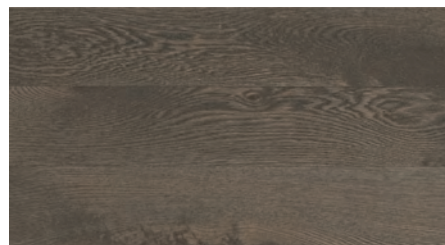

EdgeSawn showcases 90% bandsaw marks, delivering a bold, design-forward texture that adds depth and tactile appeal

## PEARL(Low gloss)

Low gloss finish that lends itself to a smooth surface since it enhances the natural richness of the species.

## UVF (Ultra full finish)

A modern matte finish, great for textured wood to hide everyday wear and tear such as scratches and dents.
